Our Father, which art in Heaven,  
Hallowed be thy Name.  
Thy Kingdom come.  
Thy will be done in earth,  
As it is in heaven.  
Give us this day our daily bread.  
And forgive us our trespasses,  
As we forgive them that trespass against us.  
And lead us not into temptation,  
But deliver us from evil.  
For thine is the kingdom,  
The power, and the glory,  
For ever and ever. Amen.

## Staff News

We are very sad to report that Mrs Karen Gathergood who has been at the school for 9 years has left us this week. She wants to explore new opportunities. We said farewell in a special assembly on Wednesday and would like to wish her every happiness in what she decides to do next.

We would like to welcome a new Site Controller, Mr Richard Hosty. He has a wealth of experience in this field and we are sure he will make sure our site remains clean and safe.

## Year 1 Assembly

Thank you to all the parents that stayed for the Year 1 assembly this morning on the subject of Animals and Art. I'm sure you will agree the children had been working really hard and were pleased to share what they had learned with you.

## Spring & Summer Menu

Your child will bring home a new menu today for after after half term. This will also be added to our website so you will always be able to see what is on offer. We ask that all meals be paid for using the on-line SCOPay system. If you have still not registered for this, please contact Mrs Barney in the school office.

## Safer Internet day 2018

On Monday the children watched the one day creative performance called Level Up where they were transported into 3 different online computer games. They learnt 4 very important rules:

- Computer gold is real money
- Don't download games without permission as it can contain a virus
- Only play games suitable for your age
- Always Ask permission before you click.

KS2 children also learnt about not giving out any personal information online.

The DSM digital leaders also visited all the classes teaching the children how to stay safe online before announcing our safer internet day competition which is to design the screensaver for all the computers in the ICT suite.
