

	Key points of discussion	Action points	By whom and when
1.	<p><b>New website for the school</b></p> <p>This has not moved any further due to funding issues. NG explained that she would like information to be loaded onto the website more regularly but that the limitations of the site means that only one person can upload anything. A parent raised the possibility of the MyEd app.</p>		
2.	<p><b>Class reps</b></p> <p>RL explained that this is not viable due to the very low parent turnout at both Parent Council and PTA meetings.</p>		
3.	<p><b>Attendance</b></p> <p>NG explained that attendance was up 1% last year and is looking positive for the autumn term.</p>		
4.	<p><b>Trips</b></p> <p>NG explained that trips to Braywick were not happening this year but instead the Parish Council have approved the School Council's request to use the Willow Walk at the back of the recreation ground in Datchet as a forest school. Mrs Gilchrist has been on a forest school training course. It will be all years who will benefit from outdoor learning on a regular basis.</p>		
5.	<p><b>Drama productions</b></p> <p>In response to parental feedback about children not taking part in drama productions after Year 2, children in Years 3-5 will be taking part in a production of the Lion King at the end of November. Children in Early Years and Years 1 and 2 will still be doing their Christmas productions and Year 6 will perform at the end of the school year.</p>		

	NG also said that a theatre company would be coming into school to perform Sleeping Beauty to the whole school. The cost of this will be covered by the PTA.		
6.	<p><b>Sport</b></p> <p>A parent asked whether there were any sports competitions planned with other schools. NG explained that the major obstacle to more participation is the lack of transport as the school doesn't have a minibus and relying on parents to transport children hasn't worked in the past. She did say that she had offered to host sports events at the school so that children would be able to participate without travel being an issue. There will still be inter house football and netball competitions which the sports leaders and house captains will be organising. NG also said that London Irish rugby club would be coming in to do some training sessions with Year 3 children, as they are now only doing swimming lessons for half of the year. This arrangement will stand for future years with Year 3 children swimming for half of the year. There are also plans for a running club to start after Christmas.</p>		
7.	<p><b>Lunchtimes</b></p> <p>Lunchtimes have now changed slightly with reception children having a slightly shorter lunch which allows more time for older children to get through the canteen. The new catering company has said there will be some changes to the menu which will be sent out.</p>		
8.	<p><b>Secondary schools information</b></p> <p>A parent asked about the information evening which was discussed at a previous parent council meeting. NG explained that due to concerns about low turnout, she was putting together a letter to parents setting out the different options for secondary schools.</p>	NG to send out letter to parents.	NG
9.	<p><b>New morning arrangements</b></p> <p>Parents commented that the new staggered start time in the</p>		

	mornings have worked well, with the carpark not being so crowded. NG said that teachers had commented that the change meant that children were more ready to learn in the morning.		
10.	<p><b>School uniform</b></p> <p>A number of parents have raised complaints about the quality, cost and customer care from School Uniform Direct. NG said she would discuss this with AS, the school business manager and possibly look into alternative suppliers. She encouraged any other parents with uniform issues to contact the school so that they have as much information as possible.</p>		
11.	<p><b>Breakfast/Sunshine club</b></p> <p>Parent's feedback was that the staff at both the breakfast and after school clubs are fantastic and that children love going. It has been a real help to working parents and the flexibility is much appreciated.</p>
